Yilong Yang

Updated on June 13, 2023

## 1 Final Time and Location Info

**Class Name:** Advanced Topics in Linear Algebra

**Final Time:** June 19th, 2:30 PM-5:30PM.

**Final Location:** 6C300

**Instructor:** Yilong Yang (YMSC)

**TA/Protectors:** Yunjian Peng, Hong Zhang

## 2 Online Final or Offline Exam

These plans are made in June 13th, 2022.

1. The exam will be open book. You can freely check your lecture notes or anything print out in advanced.
2. If you would prefer to use ipads or laptops to check lecture notes, then you will need to record your screen of the device you are using during the exam. Please arrive early if you need time to set it up, and make sure that you have enough storage etc.. After the exam, please upload it online.
3. We would start the exam at June 19th at 2:30PM, at No. 6 Teaching Building 6C300. The exams must be turned in before 5:30PM (but feel free to turn in early).
4. During the exam, you may freely ask any questions about English or math. Questions about English will be answered, while math questions may or may not be answered.
5. Other requirements will be printed on the final exam.
